*Parr Samuel, <i>L. L. D.</i> Freeh.	—		
Rust Richard, <i>Gent.</i>	—		

* Dr. Parr apprehended, for a time, that his vote was invalid, because the messuage in right of which he voted was not assedged to the land-tax; and accordingly he apologized to Mr. H. and desired the Sheriffs to retract his vote in the published poll; but as the Statute (19th Geo. II. ch. 28) which requires an assessment to the land-tax for the purpose of voting, expressly *excepts messuages belonging to any offices*, (in which description the Doctor's house is comprised) he is fully satisfied that his apprehension was ill-founded.

The following Letter is inserted at the Request
of the Parties.

To Mr. Berry, Bookseller, Norwich,
Sir,

AT the last Election for the City of Norwich Mr. William Copland and myself attended and voted singly for Sir Harbord Harbord; to my very great Surprise I have since been informed my Name is entered on the Poll as having voted singly for Mr. Hobart: I beg, therefore, you will be so kind as either to have the Poll set right, or insert this Declaration in some convenient Part of your Book.

I am, Sir, your very humble Servant,
JOHN HOWSE.

North Walsham, 3d May, 1784.

I was present and heard Mr. Howse give his Vote singly for Sir Harbord Harbord.

WILLIAM COPLAND.

 The Votes of the Dean, Prebendaries, Minor Canons, Lay Clerks, and others, for Houses which they hold under the Chapter, being questionable Freeholds, were most of them checked at the Poll; and, by the Direction of the Sheriffs, the Contraction ob. (for objectionable) was prefixed to those Votes in the Poll-Books.

E R R A T U M.

The Rev. Mr. Michael Brown's Vote, inserted in page 44, should have been placed amongst the Votes in the Close, his residence being there.
